REQUEST FOR MEDICAL CLEARANCE/MEDICAL CLEARANCE UPDATE

Dr. _____ Phone _____ Fax _____

Patient _____ DOB _____

This patient has been scheduled for _____ **KNEE REPLACEMENT** on _____

And required medical clearance prior to surgery by a:

____ PRIMARY CARE DOCTOR _____ CARDIOLOGIST _____ OTHER SPECIALIST

Please fax the following records to our office **2 weeks prior to your surgery date: 407-355-3119.**

***** Failure to do so will result in your surgery being postponed or cancelled. *****

- The office note for the visit medical clearance was given and discussed, along with any specific directions or concerns the Doctor may have. The office note must clearly indicate that "PATIENT IS CLEARED FOR THE SURGERY" **and signed by the Doctor, not by nurse practitioner or physician assistant.**
- The results of any labs or tests (stress test, nuclear, EKG, Echo, etc.) performed within the last 6 months.
- Pacemaker: if patient has pacemaker, please provide us the information.
- Please review medications and advise patient (if needed) to discontinue anticoagulants and other medications which cause abnormal laboratory (hematological) results. If patient is on any blood thinners, Dr. Nguyen's protocol is to discontinue the medications 7 days prior to the surgery. If another preference is requested, please inform us the recommendation and or required time for discontinuing by checking off the desired time span on the lower part of this page.

NOTE: The patient is also required to have CBC, CMP, A1C (IF DIABETIC), EKG and OFFICE VISIT NOTES. These tests can be done by the primary doctor providing the medical clearance WITHIN 30 DAYS FROM THE DATE OF SURGERY.

Please check all that apply:
